STATEMENT OF REASONS TO RECALL

During a July 13th ANC08 meeting, Commissioner & Chairwoman Muhammad (A801) ANC08 ejected Mr. Tom Donohue, an eight-year, small business owner from ANA801 without cause, discussion, or warning. Mr. Donohue joined other neighbors from ANC08 asking Commissioner Muhammad to elevate the logon of Commissioner Moore so the meeting could move on and so Commissioner Moore could properly represent her constituency. Having other matters that Mr. Donohue wanted to inquire about Mr. Donohue joined others asking her to simply elevate Commissioner Moore's login so that the meeting could move on matters to which Commissioner Muhammad immediately ejected him resulting in Mr. Donohue's inability to raise two matters pertaining to his neighborhood. In an email string sent to the ANC Director and all the ANC08 Commissioners, Muhammad become so racist in her responses that Mr. Donohue feels it rises to the level of being recalled. The responses included "You don't dictate to me. I don't take instructions from the Proud Boys from Charlottesville. Don't email me again." And "Your threats of meetings and recalls don't frighten me. YOU don't frighten me. I AM NOT YOUR NEGRO! So, you better stay out of my way."

Note: The Statement of Reasons to Recall shall not exceed two hundred (200) words in length.
